I have reviewed and understand the coverages, conditions, limitations and exclusions in the quote given to me, and the policy written on behalf by GHM Agency. I further understand that higher limits and broader coverages are available, subject to underwriting approval. Contrary to this information explained to me by a representative of GHM Agency, I have chosen to purchase the explained limits of coverage with the knowledge that should I ever be involved in an insurance claim that the coverages I am purchasing may not adequately cover the entire claim and therefore I could be held personally liable and responsible.

I hereby save and hold harmless GHM Agency and its employees and representatives for any and all insurance claims that might occur for which I am not fully or partially covered for.
